### **Statement of Governor Doyle on London Terrorist Attacks**

Governor Jim Doyle today released the following statement regarding the recent terrorist attacks on London:

"Like millions of people around the world, I am both saddened and outraged by today's attacks on the innocent people of London. On behalf of the people of Wisconsin, I express my deepest condolences to the victims, as well as to their family and friends, and all of London.

"These are acts of cowardice and terror. This was not only an attack on the people of Great Britain, but on democracy, human rights, tolerance, and equality worldwide.

"I assure the citizens of Wisconsin that homeland security plans have been in place and are continually updated. And although it's important to remain vigilant and report any suspicious activity to proper authorities, I urge all Wisconsin residents to continue going about their daily lives and activities."
